

Lake Pointe Village

POINTE OF VIEW

President's Message

Dear Fellow Residents:

Things here in the park have been pretty quiet. That will be changing with the passing of the next few weeks. Our seasonal residents have started to return home and traffic within the park will start to increase. Please be alert and pay attention to the roadways, driveways, and walking areas. There will be more cars, golf carts, and residents walking at all times of the day and night.

Activities will increase and you will see the advertisements for them in the monthly newsletter. Please come out and join in the planned activities. We would love to have sell-outs and see all residents enjoying themselves. Most tickets can be purchased Saturday mornings during coffee hour 8:30-9:30am.

If you are a new resident, you can also see flyers for all activities on the bulletin board in the Activity Room/Library.

Have a great month.

Thank you,

JoAnn Vasko-Clifford

Inspirations

COUNTRY MUSIC

by Grace Mosher

Uncle George loved country music. I remember a chorus from an old country song he used to sing to me when I was a young lad and it demonstrates how powerful music is and how it can affect us.

Daddy's hands were soft and kind when I was cryin'
Daddy's hands, were hard as steel when I'd done wrong
Daddy's hands weren't always gentle
But I've come to understand
There was always love in Daddy's hands

The reason these words have stayed with me is that I keep applying them not only to my earthly father, but also to God, my Heavenly Father. My Lord is wonderfully kind when I am passing through the difficult challenging times of life. My God is also determined to change me into the image of His Son. He will do what is necessary in my life, even if it is hard, to accomplish the divine purposes He has for me. God does this because of His un-failing love. I am so thankful for Abba Father who cares about my spiritual maturity. Galatians 4:6 states, "And because ye are sons, God hath sent forth the Spirit of his Son into your hearts, crying, Abba, Father." When I understand God in this relational and personal way, I am free to enjoy Him and trust Him because I know He will do the right and caring action in my life. God disciplines us (believers) in His love, but He will never punish us because of our sin. That has been taken care of in Christ. A good reference is found in Hebrews 12:6-11.
