THANK YOU LAKE POINTE VILLAGE

You are so kind to think of us here at
Health Center of Plant City.

Our residents love the wheel chair packets and
lap robes and all the nice things you send.

The shoulder wraps are a BIG hit with our
ladies.

The cards and jewelry are great.

Thank you ladies,

Sherrie Sweatt
Activity Director

Thank You

Community Projects would like thank everyone who helped
with:

- ◇ School supplies
- ◇ The ladies who go “dumpster diving” for school clothing
- ◇ Residents who display flags
- ◇ Those who helped with the cleaning of the chairs
- ◇ The men who moved all our supplies in storage
- ◇ The ladies who sorted fabric and yarn while the
clubhouse was being carpeted

COMMUNITY GENERAL MANAGER'S MEETING

My CGM Meeting will be in the clubhouse at
10:30 AM on Thursday September 12th

Thanks, Sherry Briggs,
Community General Manager

From Community Projects

If you have any old belts, bring them to the library in the
clubhouse and put them in the container by the door.
Community Projects will cut them down to size, add
holes, and take them to Kingsford Elementary School for
the children.

Also, remember the “Coupons for Education” on many
grocery items. Each coupon is worth \$.10 and the new
Kingsford PTA welcomes them. We have a lady who cuts
them down, so just tear them off and put them in the
container on the piano in the library.

Did you hear??? Kingsford Elementary School went from
a D school to a B school!!

WHAT'S WRONG

by Grace Mosher

A glance at any newspaper and the headlines tell you what's wrong with the world. Watch television, listen to the radio, talk to friends, and you will find no shortage of opinions as to what's wrong on planet Earth. That's because pointing out what's wrong is easy.

When terrorists hijacked passenger planes and slammed them into the Pentagon, two New York skyscrapers, and a Pennsylvania field, the world quickly called it evil. The destructive power of this epic evil event made people feel threatened and helpless. And that's what evil does best, it makes us feel powerless. But we're not.

Most of us experience evil on a smaller, more personal scale. And for us, the apostle Paul outlined the proper response. He said we are to abhor evil (Rom. 12:9), not to repay it with more evil (v.17), and not to be overcome by it. (v.21).

The true victim of evil is goodness - the goodness that God designed as part of creation for everyone to enjoy (Gen. 1:4-31). It is not surprising then when Paul concludes that the casualty of evil is also its conqueror. (Rom. 12:21).

Evil gets all the headlines, but God's goodness is stronger, and He wants us to use it on His behalf to overcome His enemy.

As light overcomes darkness, goodness can overcome evil.

I'm Fine

There's nothing whatever the matter with me.
I'm just as healthy as I can be.
I have arthritis in both my knees,
And when I talk, I talk with a wheeze.

My pulse is weak and my blood is thin,
But I'm awfully well for the shape I'm in.
I think my liver is out of whack,
And a terrible pain is in my back.

My hearing is poor, my sight is dim,
Most everything seems to be out of trim.
But I'm awfully well for the shape I'm in.

I have arch supports for both my feet,
Or I wouldn't be able to go on the street.
Sleeplessness I have night after night,
And in the morning I'm just a sight.

My memory is failing, my head's in a spin,
I'm peacefully living on aspirin.
But I'm awfully well for the shape I'm in.

The moral is, as this tale we unfold,
That for you and me, who are growing old,
It's better to say, "I'm fine" with a grin,
Than to let them know the shape we're in.
